Tour Itinerary

Day 1 :- Arrive Darwin

The balmy Darwin climate sets the pace for your city tour: relaxed. Things don't happen in a hurry here. Even the fiery sunsets seem to linger just over the horizon. You'll catch one later, but first: an orientation tour to discover the city's architecture and learn about the events that have shaped life at the Top End, from Cyclone Tracy to WWII when the Northern Territory capital was bombed. Enjoy dinner at a popular waterfront restaurant favoured by locals.

Day 2 :- Darwin - Katherine

As you begin your sojourn south, yet more reminders of the impact WWII had on the region are outside your window. The headquarters of a military base once stood along the banks of the Adelaide River, and there's a cemetery nearby to remember those who lost their lives here. It's a sobering sight. Then nature takes over at Nitmiluk National Park bordering Kakadu. This is Jawoyn land, and a place where you'll feel your spirit soar. Particularly when you're cruising through dramatic Nitmiluk Gorge, your boat the only sound echoing around this enormous chasm. Remarkably, this is one of 13 gorges carved through the national park, and at every bend in the river, the sun casts soaring sandstone cliffs a different colour. There's no time to catch your breath – you're off to the Katherine Outback Experience, where you'll be entertained with songs and stories before your special evening of Be My Guest dining under the stars begins.

Day 3 :- Katherine - Kununurra

Say goodbye to the NT and hello to WA, your introduction to the state the unexpected delights of Kununurra. It's in the middle of nowhere, and only exists because of the Ord River Irrigation Scheme. Before it was a twinkle on the map, farming pioneers came here to establish vast cattle stations. The life of one such family is chronicled at the Durack Homestead Museum, revealing how the property was dismantled then reassembled on higher ground when much of the countryside was flooded for the dam. The project not only helped water the countryside, but created Lake Argyle. An afternoon cruise here, surrounded by freshwater crocs and birds, is something you won't forget in a hurry. Well, until the next expedition: from Kununurra, all roads lead to some of WA's most postcard-worthy sights, the Bungle Bungles among them.

Breakfast Dinner
