**Tour Itinerary**

## **Day 1 :- Singapore**

Singapore – the very name summons visions of the mysterious East. The commercial center of Southeast Asia, this island city-state of five million people is a metropolis of modern high-rise buildings, Chinese shop-houses with red-tiled roofs, sturdy Victorian buildings, Buddhist temples and Arab bazaars. Founded in 1819 by Sir Stamford Raffles of the fabled East India Company, the city is a melting pot of people and cultures. Malay, Chinese, English and Tamil are official languages. Buddhism, Taoism, Islam, Hinduism and Christianity are the major faiths. Singapore is an ever-fascinating island boasting colorful traditions, luxurious hotels and some of the finest duty-free shopping in the world.

## **Day 2 :- Kuala Lumpur (Port Kelang), Malaysia**

From a lawless huddle of kampongs in the trackless jungle, Kuala Lumpur, the capital city has grown into a fascinating metropolis. Steel and glass towers stand side by side with graceful stone colonial buildings and mosques adorned with slender minarets. The commercial, financial, economic and cultural heart of Malaysia, Kuala Lumpur (better known as KL), is a melting pot. Its population of 1.6 million is comprised of Malays, Chinese, Indians, and a mix of different cultures including Eurasians and others. Kuala Lumpur is located at the confluence of the Klang and Gombak Rivers. The city was founded in the 1850s as a tin mining outpost.

## **Day 3 :- Langkawi, Malaysia**

Langkawi comprises a group of 99 tropical islands lying off the northwestern coast of Peninsular Malaysia. The main island is known as Pulau Langkawi. The islands are shrouded with an intriguing heritage of myths and legends that feature ogres and gigantic birds, warriors and fairy princesses, battles and romance. Langkawi has been accorded the Geopark status by UNESCO, for its beautiful geological heritage of stunning landscapes, karsts, caves, sea-arches, stacks, glacial dropstones and fossils. With a geological history dating back 500 million years, the islands contain unique rock formations that stir the imagination and baffle the mind.

## **Day 4 :- Penang, Malaysia**

In 1786 Francis Light persuaded the Sultan of Kedah to cede Pulau Pinang – the “Isle of Betel nut” – to the English crown. Legend has it that Light persuaded his men to clear the overgrown island of Penang by firing a cannon filled with gold coins into the jungle as an incentive. The island was renamed Prince of Wales Island, and its major town was christened Georgetown after King George III. Whether the story is true or not, Penang quickly became a major trading port for tea, spices, china and cloth. Here European, Malaysian, Hindu, Arabic and Chinese cultures met, melded and flourished. Today George Town is a cosmopolitan city that has preserved its unique heritage and its exotic blend of cultures.
